### Route description

Low Lane leaves Grassington behind the Town Hall which is at the top of end of the village. This lane changes name to High Lane. Follow High Lane until you reach a footpath on the left. The path gradually climbs through fields, crossing the dry-stone walls using stiles.

The view to the right is dominated by Barden Moor and Cracoe war memorial. Continue past the ruined Wise House to Garnshaw House. Turn right through the wood and down to cross the road. Continue past Half Way House Farm to reach the River Wharfe opposite Linton church. Ignore the stepping stones and turn right to follow the river to Linton Falls. Here a walled path leads back up to the National park Centre.
